advanced nurse practitioners, speech therapists,  
senior nursing staff

Faculty comprising of leading clinicians  
in paediatrics and neonatology

Draws on the know-how of key specialists  
from specific disciplines

High quality keynote speakers

### What previous delegates have said:

- Very good event - thanks to the organisers. Would be good annual event and really good that it's at the James Cook.
- Great speakers. Excellent symposium, informative topics, great value for money - would definitely recommend it to my colleagues for future meetings.
- Excellent range of topics. Practical, clinical sessions especially helpful for training SpR's. Good value for money - excellent dinner a real bonus and very enjoyable, thanks!
- Well organised course especially being the first one. Very impressive venue and dinner was a good idea.
- Overall a good quality of speakers. A superb meeting of very high quality.
- Many thanks to the organisers, consistently excellent standard of speakers. Well organised! Well worth attending.

All lectures are structured to ensure the subjects are fully expounded at a level suitable for the hands on Paediatrician:

Questions and answers will follow each lecture
