

PRACTICAL NEUROLOGY STUDY DAYS

Mon 29 April 2019
- Fri 3 May 2019
09:00 - 17:00

33 Queens Square,
Queens Square,
London, WC1N 3BG

An annual series of study days which aim to help clinicians update and improve their approach to the diagnosis and management of neurological problems in children.

Each day focuses on a different range of subjects – delegates can attend the whole course or individual days.

Who should attend?

The course is intended for Consultant Paediatricians, Paediatricians in Training, Allied Health Professionals, Nurses and Physiotherapists involved in the management of children with neurological disorders.
